PROFILE

An independent and self-motivated graduate looking for an entry-level position in cyber security and ethical hacking where I can utilize the extensive knowledge I have gained during my course. Well-versed in research and excellence in creating brand awareness.

EDUCATION

Graduate

R.M.D ENGINEERING COLLEGE (2021 - 2025)

- B.E Computer Science and Engineering
- Honours Degree: Cyber Security

Co-Curricular Activities and Certifications

- Accomplished winner of the prestigious Smart India Hackathon, organized by the Department of DRDO Software Edition, showcasing exceptional problem-solving abilities and collaborative teamwork.
- Certified Ethical Hacker by EC-Council

INTERNSHIP

Cyber Security Intern

- Honed Cyber Security skills during an impactful internship with JP Morgan and Chase, collaborating with industry professionals to strengthen the company's defenses against cyber threats and ensuring the integrity of sensitive information.
- Honed Ethical Hacking skills during a rigorous internship with Kaashiv Infotech, actively participating in red teaming exercises and assisting in the implementation of robust security measures to safeguard critical systems and data.
